# DEDICATION

For the past four years, one person has influenced our progress toward graduation more than any other. His patience and hard work made our Junior-Senior Prom and various other endeavors successful. For his faithfulness, devotion, and service to us, We, the Class of 1965, proudly dedicate the 1965 COLUMNS to Charles O. Abel.

The success or failure of a play can be attributed to the cooperation and industry of not only the actors, but also the back-stage workers. The King William Dramatics Club, under the direction of Mrs. Babyak and Mr. Carr has been active in giving plays for competition, profit and pleasure. With the help of every member, the plays have not only been successful productions but have served as learning experiences, also.

## KNIGHTS IN SOPHOMORE SEASON

The Knights opened the season with a 20-0 loss to Lancaster on September 4. The game was only experimental and it brought out the Knight's strong points and its weak points.

Defense was the key in the New Kent game. Holding the district power to a scoreless half, the district power, came back on the Knight's strong defense to tally a 27-0 win.

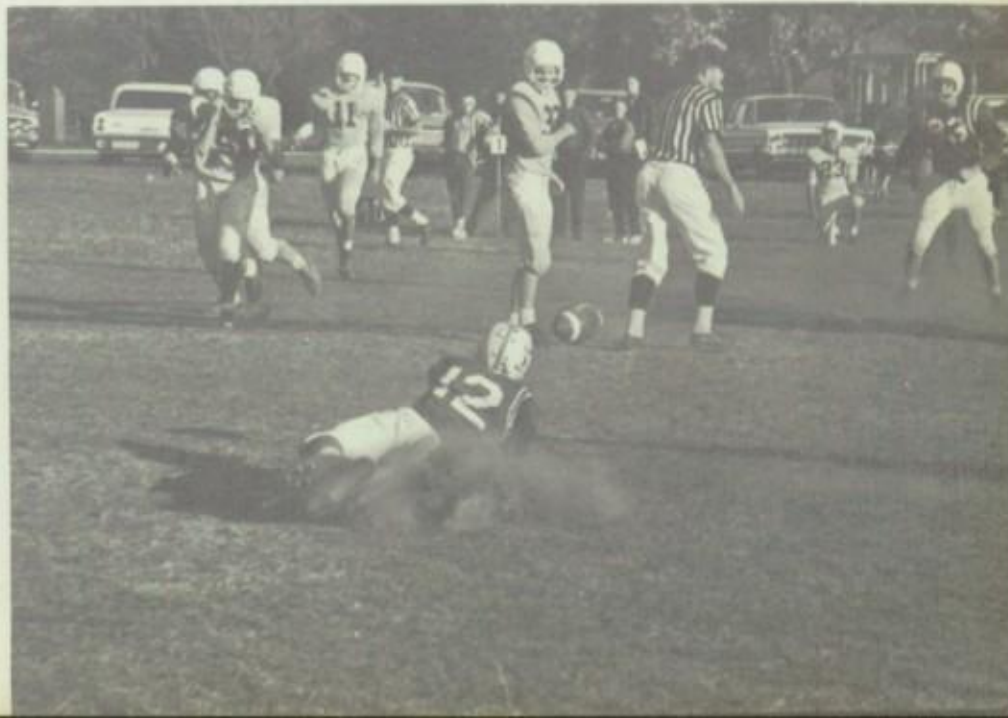

The West Point game saw King William's first touchdown of the season and a heart-breaking second half. It was a good game all the way, but the defensive minded Knights lost 7-6.

Homecoming Day produced King William's first victory of their football career with a 12-6 win over the York Academy "Confederates."

The Football Knights continued their winning ways the following Saturday for their final game of the season. The Colonial Beach "Drifters" were the victims of a 47-0 scoring spree.

David Townsend, co-captain, is the first player ever to receive an all-district selection for football. He played offensive end and was the leader of the Knights defensive unit.

After completion of its rebuilding program and under new head coach Bob Murray, King William has found winning ways again.

The Knights got off to a poor start, winning its first contest and then losing four straight. King William then ended the '64 half of the season with a 77 to 57 win over a strong Alumni team.

The Knights started the '65 season off with a four game win streak and in the course pulled into a tie for third place in District E standing.

During this win streak King William lambasted district power and rival West Point with a record breaking 91-75 score. It was in this game that senior Willie Edwards broke the individual scoring record for a King William player with an output of 36 points. Throughout the season Edwards has constantly been in the district and state scoring races. He is the captain of a late starting but balanced score attack of our King William "Knights."

## J.V. BASKETBALL

King William has its sights focused on the future. The winning team of tomorrow will be the product of the continuous work of Coach Murray and his jayvee team.

The junior varsity program played a most important role in the school's activities during the 1964-65 season. The junior knights provided thrilling entertainment while acquiring valuable experience in their preparation for future varsity participation.

## BASEBALL 1964

This young baseball team rebounded from last year's winless season to an overall record of two wins and nine losses and is looking forward to a better slate in the 1965 season.

Inexperience proved to be a great handicap to the seniorless club, which was led by junior Bill Brizendine's .313 batting average and his three stolen bases.

An unseasoned pitching staff was the drawback in King William's defense. However, one of the bright spots in this department was the infield whose only trouble was hitting. In the outfield, the right-field position proved to be a trouble spot for Coach Abel's Knights. This position was backed up by David Townsend and pitcher-center-fielder Willie Edwards.

## TRACK 1964

King William cindermen experienced a good year at home but failed to shine in away meets. In the first contest with Marriott and Pleasant Hill at the Knight's home, our Knights swept all the first spots except two. The team was led by Jimmy Green's 15 points. Green was also on the 880 relay team. Following the senior were two juniors, Ronald Kelley, and David Townsend each with 9 1/2 points.

In the next meet with New Kent and West Point, King William had to settle for second place. Again led by Jimmy Green, the team made a very respectable showing.

District competition proved a little rough for our boys. The broad jump pit was a comfortable spot for the team. Finishing 1-2 the Knights scored 8 points in this event alone, and went on to finish 5th out of 8 teams.

Our trackmen are looking forward to a better showing in next year's district contest.

## GIRLS' BASKETBALL

The 1964-65 girls' basketball team started the season with a victory over Marriott. The team played a total of ten hard fought games. In each game their clean sportsmanship, team spirit, and practice showed as they both won and lost. These girls are to be congratulated for the time and effort they have put forth.

## GIRLS' SOFTBALL

The arrival of spring is accompanied by scenes of varied activity. One of the most typical consists of the accelerated activities of the King William softball team. We practiced vigorously and enjoyed it immensely. Our last two league games ended in victories over Pleasant Hill and Marriott.

The junior varsity cheerleaders, headed by Bobbie Prince, cheered our team to victory at both home and away games. They gave moral support to the boys and helped them to win their victories.

# FEATURES

## MOONLIGHT AND ROSES 1964

Using the theme, "Moonlight and Roses," the Junior class of 1964 presented the Seniors their farewell dance.

The auditorium was decorated as a lawn scene with the dance floor set off by a white picket fence entwined with roses. The focal point of the dance was a white iron lawn chair enclosed on three sides by a trellis also entwined with roses.

On the back of the stage was a moon with a silhouette of a couple dancing.

Favors given out by the class were silver monogrammed charms for the girls and boutonnieres for the boys.

Dancing was enjoyed to the music of the Escorts.

Refreshments, served by the parents from the class, were enjoyed by all.

October 24, 1964 was a redletter date and a forecast of things to come for King William High School's football fans; for on that day the "Knights" welcomed their first gridiron visitors, and their Alumni to their first Homecoming held at King William for several years.

To climax the day's activities, the "Knights" romped over York Academy's "Confederates" as J. B. Barnette led the rallying team in a well-earned (12-6) victory amidst wildly cheering fans.

The highlight of the Homecoming Parade was the crowning of Carolyn Johnson as the 1964 Homecoming Queen by Mr. Clarence Major, division Superintendent of Schools. Her princesses were Frances Robinson and Rebecca Green; Seniors, Wanda Chenault; Junior, Margie Beasley; Sophomore, Sandra Poynter; Freshman, and June Powell; Eighth Grade.

The Queen and her court were presented again at the Homecoming Dance where the "Vikings" spent the evening entertaining student and alumni Knights.

# Paper and Careers *for the future*

TODAY there are more than 100,000 different uses for paper . . . and the search for new uses never ends. That is why this fast-growing industry is now the fifth largest in the country . . . and why it needs trained researchers and technicians for future growth.

Our company, a pioneer kraft manufacturer, joins with other mills in sponsoring college scholarships in paper technology. It also offers scholarships for study in a subject of the student's choice. For information, write: Public Relations Department--
